

# Get Started: COVID-19 Rapid Deployment

Sometimes slow and steady doesn't win the race...

We know times are tough and the need for effective digital conversation management has never been greater. Whether you're a digital strategy newbie, have never used digital channels before, or are looking to migrate away from your current provider, our Covid-proof roll out plan can have you up and running in as little as a day!

Ready, set, go! Our rapid deployment plan includes the following:

- Bespoke onboarding plan
- Free ongoing training to your core team
- Dedicated Customer Success Manager to ensure best practice
- Ongoing support - LiveChat, Phone and Email
- 6 week check to review and refine your strategy

# We're not like the rest

Rapid deployment isn't the only thing that makes us stand out from the crowd. We're proud of our three uniques that make us confident we're the one you've been looking for.

## We're the total package

With digital channels coming out of our ears, switching from tool to tool not only becomes a nuisance, but a time vacuum too. Orlo provides one platform to manage your digital conversations, saving you time and effort. Not only does it pull all of your inbound messages into one easy to navigate inbox, but it enables you to schedule and post outbound content too!

## We're made in blighty

We're proud to be a British business, based slap-bang in the middle of the United Kingdom in bustling Birmingham! Our entire team - including Customer Success and Support - are always on hand to support you (oh, and all of our servers are held in the UK too!).

## We'll give you more bang for your buck

Sure our platform is packed full of features, we count over 300 brands as clients and we manage millions of digital conversations all over the world, but it's affordable too. Customer Service and Marketing Engagement solutions that are easy to implement, all in one place, with prices that don't break the bank - what's not to love? Hello ROI!
